About This Content

"Episode II" of the Loner:

"The Loner: Episode II" - What started as an "ordinary" crime story turns into a psychedelic trip about hate, insanity, anger and depression.

Story:

After your girlfriend was kidnapped and you shot the boss of the NY-Mafia, things are turning pretty bad for you: Wanted by the police and the mafia you have just signed your death sentence. But soon you'll find out that there is way more behind this than just the mafia and your gambling debts...

The Loner Episode II continues the story of the first one.

The second episode features three new scenes

:

- The Diner
- The Police Station
- The Church
